

## **Hrin**

### **(Beetroot Relish)**

This spicy relish is a Ukrainian Easter staple. It is great with sausage, ham and hard-boiled eggs, or just about any other cold meat.

You will need:

2 cans beets  
1 jar Harvard beets  
1 pint jar of horseradish

Drain the excess fluid from the regular beets and the horseradish. Place all the items in a blender and blend away. Store in small containers in the refrigerator.
